

The Banker

-Hey! The Big Man himself! To what do I owe...?

-Flu. I'm filling in. Good loan, good rate. Exceptional rate, really. Wouldn't get that from me!

-I better sign fast then! Jesus! Look at all the tiny print. I'm being totally screwed in there? Is that it?

-Not from this quarter. If I'm gonna fuck you, it'll be in large block type.
